MANUFACTURERS OF THE WORLDS LARGEST RANGE OF DISC BRAKES FOR ANY VEHICLE

Multi Skilled Maintenance Technician

ADVERT

EBC Brakes are looking for an experienced, time-served Multi Skilled Maintenance Technician on a full time, permanent basis to work within our Maintenance & Facilities team at our site in Pineham/Swan Valley area of Northampton (NN4 9EF).

We will consider applications from candidates with relevant machine maintenance exposure (qualified by experience) or educated to a BTEC Level 3 or equivalent. Ideally with electro-mechanical and/or electrical qualification.

The purpose of the position is to proactively maintain and improve production equipment on site.

- Diagnosing and rectifying faults on production equipment;
- Developing and maintaining the scheduled PPM;
- Assisting with the commissioning, development and improvement of production equipment;
- In quieter periods, there will be the need to assist with basic building upkeep, such as painting and basic plumbing.

The ideal applicant will:

- Have experience in a similar role, including a good knowledge of hydraulic and pneumatic systems which are PLC controlled;
- Be conversant with control gear and Motor drives; both AC and DC;
- Have experience of electrical installation work;
- Have knowledge of 3 phase power supply;
- Have welding/fabricating experience – desirable but not essential;
- Have Mechanical or Electrical bias but multi-skilled;
- Good diagnostic/problem solving and communication skills;
- The ability to work unsupervised or as part of a team and assist in prioritisation where applicable;
- Work well under pressure;
- Ideally hold Forklift Counterbalance, MEWP 3a & 3b licences – desirable but not essential;
- Have a good understanding of health and safety requirements within a manufacturing/engineering environment.

Full time hours (40.5hrs per week) Monday – Friday no shifts and between core hours of 7.30 – 17.30.

Reporting to the HSE & Facilities Manager.
